

ChimDingo Publishing – Life of Brian

“Timeline 1959 - 2015”

Authors Note: This is a tabular depiction of key points in my life to date of both the ups & downs; it's an open book. I hope you find it useful to see the number of changes & Alternate Directions™ I have made on my journey through life in pursuit of happiness & my dreams despite some setbacks early in life. If a basically shy person like me can turn my life around I am sure you can if you really desire it.
